

Research Publication of Dr. Mahabir Singh Rawat

1. R.C. Sharma, O.P. Gusain, C.P. Juyal and **M.S. Rawat**. (1989-90). Prospect of Environmental Studies and Development of Garhwal Himalayan Lakes. *JOSHARD*. Vol. 13-14: 63-67.
2. C.P. Juyal and **M.S. Rawat**. (1990). Coldwater fisheries of Garhwal Himalaya: An economic aspect. *Himalaya*. Vol. 13 (4): 26-32.
3. C.P. Juyal, **M.S. Rawat** and R.C. Sharma. (1991). Experimental studies on food utilization by *Barilius bendelisis* Hamilton (pisces: Cyprinidae) from Garhwal Himalaya. *J. Freshwater Biol.* Vol. 2 (4): 355-359.
4. C.P. Juyal, O.P. Gusain, **M.S. Rawat** and R.C. Sharma. (1992). Energy values of some aquatic insects of Garhwal Himalaya. *Comp. Phys. & Ecology*. Vol. 17 (1): 28-30.
5. **M.S. Rawat**, O.P. Gusain, C.P. Juyal and R.C. Sharma. (1993). First report on limnology: Abiotic profile of Garhwal Himalayan lake Deoria Tal. In: Singh H.R. (ed). *Advances in Limnology*. 87-92.
6. C.P. Juyal, N. Singh and **M.S. Rawat**. (1993). Laboratory studies on the food conversion and growth in a Himalayan fish *Noemacheilus montanus* (Mc Clelland). *Acta Ichthyologica et Pistoria*. Vol. 23 (1): 31-37.
7. **M.S. Rawat**. (1994). Prospect of introducing and propagating the Mahseer in Lake Deoria Tal (Garhwal): An ecological assessment. In: Nautiyal. P. (ed). *Mahseer: The Game Fish of India and Nepal*. 91-97.
8. **M.S. Rawat**, C.P. Juyal and R.C. Sharma. (1994). Morphometry and physio-chemical limnology of a high altitude lake Deoria Tal of Garhwal Himalaya. *J. Freshwater Biol.* Vol. 7 (1): 1-6.
9. C.P. Juyal, **M.S. Rawat** and R.C. Sharma. (1995). Experimental studies on conversion efficiency and growth in Himalayan fish *Schizothorax richardsonii* (Gray) of Garhwal Himalaya. *Ad. Bioscience*. Vol. 14(11): 25-32.
10. C.P. Juyal and **M.S. Rawat**. (1995) Trophic Ecology of teleost *Barilius bendelisis* Hamilton of river Bhilangana, Garhwal Himalaya. *J. Freshwater Biol.* Vol. 6 (4): 24-31.
11. **M.S. Rawat** and R.C. Sharma. (1997). Macrozoobenthos in the high altitude lentic environment of Deoria Tal of Garhwal Himalaya. *Indian J. Fish.* Vol 44(2): 217-220.
12. **M.S. Rawat** (2002). Diurnal variations in physico-chemical profile and Fish fauna of the Saudi Gad. *Geobios*. 29 (2-3). 151-153.
13. **M.S. Rawat** and R.C. Sharma. (2004). Garhwal Himalayan lakes: Environment management and development. *J Life Sciences*. 1(1): 117-122.
14. **M.S. Rawat** and R.C. Sharma. (2005). Phytoplankton population of Garhwal Himalayan Lake Deoria Tal, Uttaranchal. *J. Ecophysiol. Occup. Hlth.* Vol. 5(1-2): 73-76.
15. **M.S. Rawat**, G.K. Dhingra and M.D. Kushwaha (2006). Dam construction activities on River Bhagirathi and phytoplanktonic diversity of Maneri Dam, Uttarkashi. *Proc Nat Sem. Environmental Audit of Hydroelectric Projects for Sustainable Development*. 38-42.
16. **M.S. Rawat**, S. Prasad and G.K. Dhingra (2007). Lacustrine environment of Garhwal Himalaya and prospect of tourism development. In : Bisht, H. and Rajwar, G.S. (Eds). *Tourism and Himalayan Biodiversity*. Transmedia Publication, Srinagar Garhwal. 247-258.
17. **M.S. Rawat**, Babita Bantwan and Dhyal Singh (2007). Ecology and environmental degradation of Garhwal Himalayan lakes. In: Negi, C.S. (ed.). *Opportunities and Scope for Research in Government Colleges*. 134-139.

18. **M.S. Rawat** and R.C. Sharma (2010). Analysis of zooplankton population in Garhwal Himalayan lake Deoria Tal, Uttarakhand. In : Vijay Kumar, K. and Vasanth Kumar, B. (Eds). *Aquatic ecosystem and its management*. Daya Publishing House, Delhi. 102-109.
19. **M.S. Rawat**, Babita Bantwan, Dhyal Singh and O.P. Gusain (2011). Status of brown trout (*Salmo trutta fario* L.) in Garhwal Himalaya with a note on its morphometric characteristics. *Environment Conservation Journal*. 12(3): 47-52.
20. O.P. Gusain, Dhyal Singh, **M.S. Rawat** and Manju P. Gusain (2011). High Altitude lakes of Garhwal. The lesser known ecosystem. J.P.Bhatt, M.Thapliyal and A.Thapliyal (Eds). *Himalayan aquatic biodiversity conservation and new tools in biotechnology*. Transmedia Publication, Srinagar Garhwal. 183-194.
21. **M.S. Rawat**, Dhyal Singh, B. Bantwan, M.P. Gusain and O.P. Gusain (2012). Diurnal variation in physicochemical characteristics and phytoplankton population density of high altitude lake Dodi Tal, Uttarakhand. *Eco. Env. & Cons.* 18(2):85-90.
22. **M.S. Rawat**, Babita Bantwan, Dhyal Singh and O.P. Gusain (2014). Length-weight relationship and condition factor of brown trout (*Salmo trutta fario* L.) from River Asiganga, Uttarakhand (India). *Environment Conservation Journal*. 15(3) 41-46.
23. Dhyal Singh, **M.S. Rawat** and O.P. Gusain (2016). Primary productivity of high altitude Lake Nachiketa Tal of Garhwal Himalaya (Uttarakhand), India. *European Academic Research*. Vol IV (8): 6462-6478.
24. **M.S. Rawat**, B. Bantwan and Dhyal Singh (2017). Study on the fecundity of brown trout (*Salmo trutta fario* L.) in River Asiganga, Uttarkashi (Uttarakhand), India. *International Journal of Fisheries and Aquatic Studies*. 5(1): 167-172.
25. Dhyal Singh, **M.S. Rawat**, Babita Bantwan and O.P. Gusain (2017). Water quality status of high altitude lake Nachiketa Tal, Garhwal Himalaya, Uttarakhand, India. *Journal of Global Biosciences*. 6(5): 5012-5021.
26. Sawan Gupta, Dhyal Singh, **M S Rawat** and Rajyees Ahmed (2018). Phytoplankton community in relation to physicochemical characteristics of Renuka Lake and Parshuram Tal (H.P.), India. *International Journal of Scientific Research and Reviews*. 7(3): 769-780.
27. **M.S. Rawat**, Dhyal Singh and O.P. Gusain (2020). Fish diversity of River Bhagirathi upstream to Tehri Dam Reservoir, Uttarakhand (India). *Eco. Env. & Cons.* 26 (November Suppl. Issue): S55-S60.
28. B. Bantwan, Dhyal Singh and **M.S. Rawat** (2021). Feeding habits and diet composition of *Salmo trutta ferio* L. in River Asiganga, Uttarkashi (Uttarakhand), India. **(Communicated)**.
