

Go down deep enough into anything and you will find mathematics.  
 — Dean Schlieter

The Department of Mathematics was established in 2009-2010 at the time of inception of the institute for undergraduate courses in sciences. At present there are two faculty members in the Department: Dr. Preet Pal Singh (Head), Dr. Sujata. There were total 60 seats in each year of B.Sc. courses in Mathematics. Study of mathematics gives an access to career opportunities in various sectors like banking, engineering teaching, administrative services also including specialized fields such as law and medicine. The department is well equipped to impart teaching at undergraduate levels. Many books at UG and PG level have been written by faculty members of the Department. Faculty members of the Department keep themselves engaged in different kind of research activities like participation in National as well as International Conferences and present their

research papers. Our many students got successes in various competitions exam like JAM, Banking etc. To create interest in Mathematics, the Department of Mathematics organizes many activities almost every year.

Some of the memorable events organized by the Department are:

- A National Webinar entitled "A Complete History of mathematics", was organized with the collaboration of Pt.L.M.S. Govt. P.G. College Rishikesh, Dehradun.
- Departmental associations programs which includes mathematical quiz competitions, Poster presentation, extempore competitions, essay writing competition.
- Celebrations of all important days like - National mathematics day, international science day, Environmental days.
