COURSE INTRODUCTION:

In the era of globlisation, it has become inevitable to prepare minds for future by providing quality higher education. Though quality may be viewed through different aspects however, B.Com. programme is designed to enable and empower students to acquire knowledge, skills and abilities to analyse and synthesize the contemporary realities pertaining to the today's business world and prepares them to drive and face the challenge of tomorrow. The programme offers opportunity to students to know different aspects of organizational functioning, financial systems, understanding of economy, laws governing business, strategies adopted by business to reach to society etc. The programme also provides the students an opportunity to explore, experiment and equip themselves to serve the society not only as employment seeker but also as an entrepreneur and job creator. The programme is designed to nurture the students as socially responsible and ethically aware citizens.

PROGRAMME OUTCOMES:

The career options for students pursuing B.Com. Programme is vast and candidates will always have interesting profiles to work at if they play to their strengths. While many B.Com. Graduates may choose the much tried and tested path of CA, CS, CMA and other related fields of study, one has ample opportunity to choose an out-of-the-box career option, as one in travel and hospitality, media and telecommunications depending on the path and degree one chooses.

PROGRAMME SPECIFIC OUTCOMES:

Earning a graduate degree of commerce (B.Com.) is evidence of persistence, determination, intellectual prowess, and the ability to handle challenging environments all of which are sought-after qualities for individuals filling manager and director positions. An employee who has demonstrated success in a long-term situation that requires stamina, discipline, leadership, and the ability to work well with others is going to be in line for growth opportunities within his or her organization. B.Com. graduate after completion of course can choose to work in job profile option available to them depending on their caliber and interest area such as Accountant, Auditor, Consultant, Company Secretary, Business Analyst, Finance Officer, Sales Analyst, Junior Analyst, Tax Accountant, Stock Broker, Economist, and Business Development Trainee and so on to explore.
