**FEEDBACK ANALYSIS
AND
ACTION TAKEN REPORT
SESSION 2023-24**

Stakeholders Feedback on Curriculum, Teaching-Learning and Ambience of the college
Academic Year 2023-24

Institution obtains feedback on the academic performance and ambience of the institution from various stakeholders, such as Students, Teachers, Alumni etc. and action taken report on the feedback is made available on institutional website.

Student's Feedback –

Mode of feedback collection: Online / Offline

Number of responses: Online- 91/Offline- 359

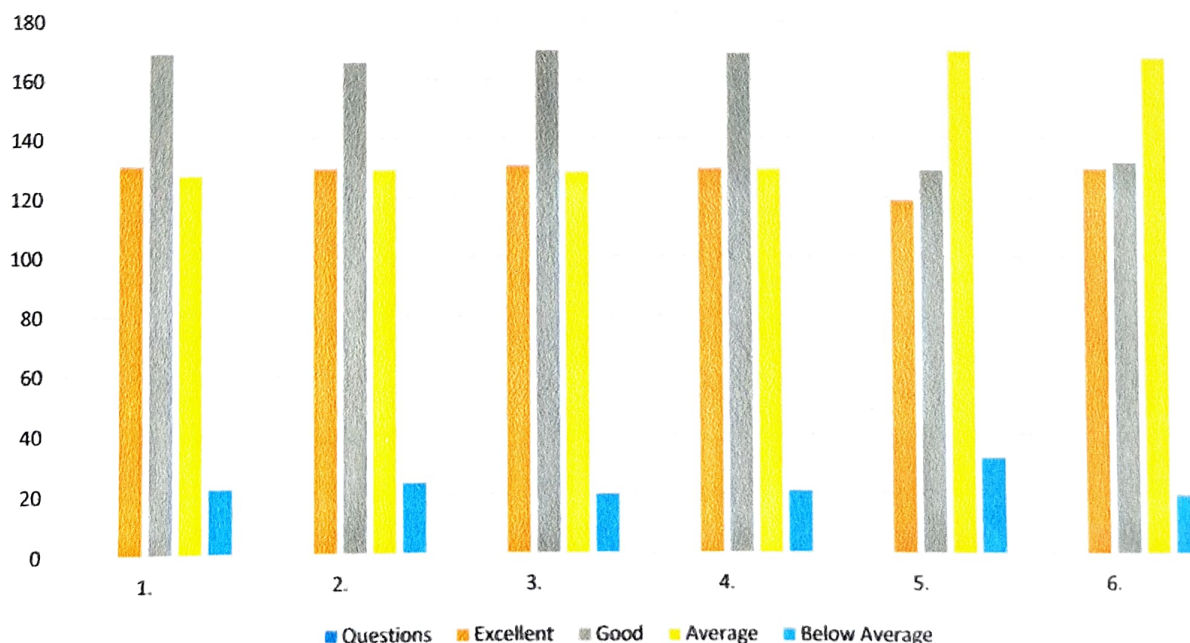

Student's Feedback is an essential element of the learning process. Feedbacks from student enables the institute to know about the student's challenges, be it in the classroom or beyond. The feedback collected from the students has been analysed and action taken to strengthen the quality of teaching learning environment and to look for opportunities to improve overall performance of the Institute. The feedback helps the institution to identify the shortcomings of the system and hence help to plan for addressing them in future.

Feedback from students of the college in the academic year 2023-24 was taken online and in offline mode, through the feedback forms made available in the college website. Following table shows the analysis of feedback from students.

Feedback on Curriculum

Sno.	Questions	Excellent	Good	Average	Below Average
1.	Relevance of course in present scenario.	131	169	128	22
2.	Course content (in terms of recent advancements and clarity).	130	166	130	24
3.	Learning values in curriculum (in terms of knowledge, concepts, skills building, analytical abilities and in broadening one's perspectives).	131	170	129	20
4.	Curriculum has prospects for higher education, employability, entrepreneurship, skill development.	130	169	130	21

Students Feedback Analysis and suggestions

The following conclusions were drawn from the analysis of student feedback for the academic year 2023-24:

- Most of the student expressed satisfaction with the curriculum design, course content and its relevancy. Some students felt the need of Add-on courses/Vocational courses.
- Majority of the students are satisfied with teaching methods. However, they suggest more field visits, field survey and research project to enhance practical knowledge.
- Students seem satisfied with the examination and evaluation process, Mentoring facility and Co-curricular activities .
- Some students have sought additional support to enhance Placement and carrier guidance, by organising more workshops, webinar, lectures and counseling.
- The students are satisfied with the classrooms, lab, library, reading room, furniture and other infrastructural facilities.
- Most of the students agreed that faculty members and admin staff are available and easily accessible in the department.
- Majority of the students responded that teachers encourage them to participate in webinares, seminars, co-curricular and extra-curricular activities.
- Washrooms should be well maintained and clean.
- Internet and WiFi facility should be provided in the college campus.
- Add-On course/Vocational course should be introduced in the college.
- More Field visits, Educational tours, Institutional visits should be arranged for enhancing practical knowledge.
- More ICT tools should be used in classroom teaching for better undersatnding and learning.
- Majority of the students agreed that overall atmosphere in the college campus is conductive.

The feedback and suggestions obtained are discussed in the IQAC meetings. Required actions were taken in the form of sending circulars to the concerning committees and departments.

Teachers Feedback

Mode of feedback collection: Online through Google forms

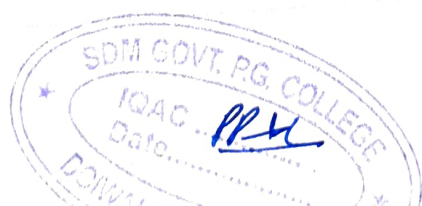

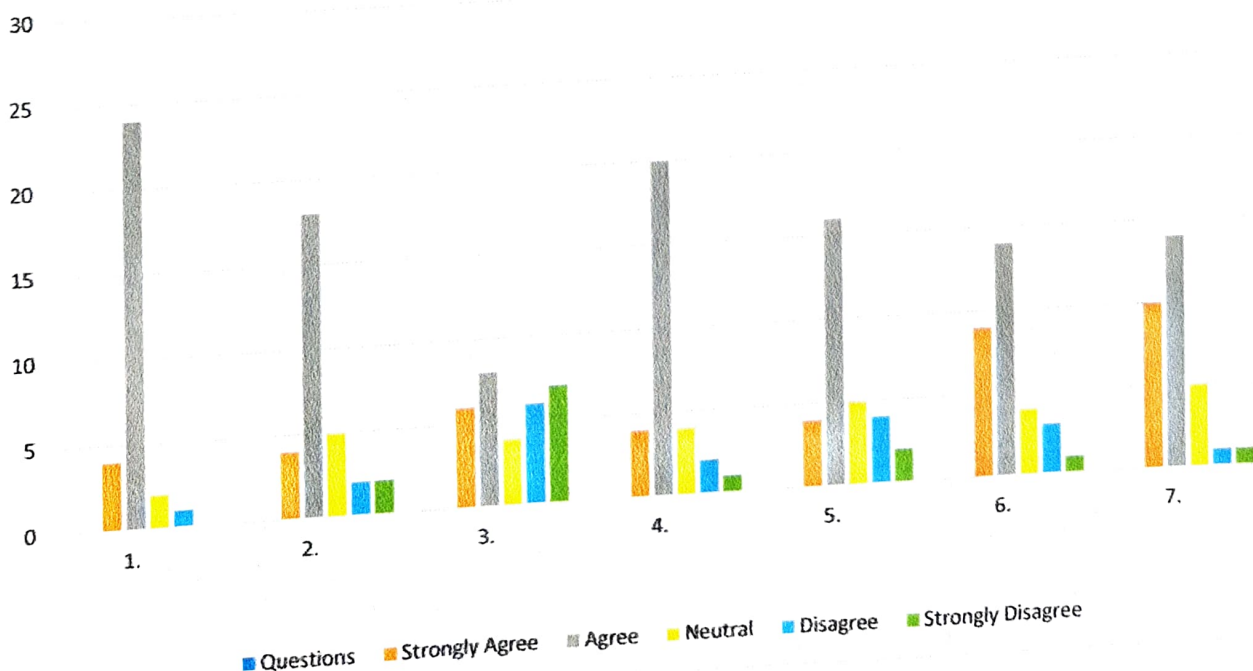

Number of responses received: 31

Feedback Analysis: Faculty members from various departments submitted their honest feedback. The college collects feedback on the course curriculum, Infrastructure and ambience of the college campus. The following table shows the analysis of feedback from teachers.

Feedback On Curriculum

Sno.	Questions	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
1.	Curriculum is up-to-date, need based and application oriented.	4	24	2	1	
2.	Curriculum is frequently revised as per requirements.	4	18	5	2	2
