Feedback Analysis Report 2022-23

Internal Quality Assurance Cell of the college has developed the feedback mechanism commencing with obtaining feedback from the various stakeholders - students, teachers, employers and alumni through a structured based feedback form. The IQAC draws feedbacks every year for continuous improvement in academic programs, curriculum development and enrichment. Based on the opinions of stakeholders, further actions are taken by IQAC to improve the college services and enhance the credibility of the institute. IQAC gathers and analyses opinions from all stakeholders. From the 2021–22 academic year, the college features an online feedback system. All these feedbacks are well documented and recorded in the institute and the same report is posted to the college website. For the academic year result clearly.

Teacher's Feedback analysis summary:

Overall analysis of feedback received from teachers indicates that syllabus is appropriate and need based and student centric teaching – learning methods are employed in satisfactory manner. The teachers expressed their satisfaction on the overall ambience of the college and facilities provided to the students. In viewpoint of teachers the working environment in the college is positive and there are unbiased opportunities for carrier. Most teachers agreed that books mentioned as reference book in syllabus are adequate. The teachers seem to take interest to encourage student's participation in extra -curricular activities and impart necessary guidance and knowledge to enhance their employability skills.

Suggestions:

Classrooms as well as laboratories should be enabled to use ICT for teaching-learning processes.

There should be more learning resources especially E-resources for students and teachers. More focus on Library facilities and books.

mai Feedback analysis summary:

The alumni seem highly satisfied with the course curriculum design and delivery. They are also satisfied with the seaching methods, examination and evaluation process. College library facilities are very much appreciated by the alumni. College infrastructure should be maintained properly and new furniture should be added to the classrooms. Alumni also opine that college should organize more seminar conferences workshops and educational trips. They too arise a need for improved library facilities and extended number of books in library.

Suggestions:

- The laboratory and equipment setup should be more advanced and according to the requirement.
- From the responses of Alumni, it can be said certain students arise a need of improvement in infrastructure like canteen, play -ground, laboratories, class rooms.
