Feedback Mechanism of the College

Feedback Mechanism is an essential and effective tool to know whether the college is delivering on imparting quality education. Hence the college made a policy decision to avail feedback from different stakeholders and to analyse the institutional performance on different fronts.

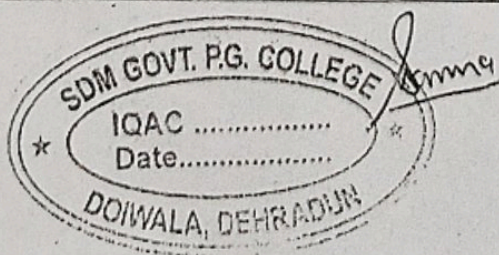

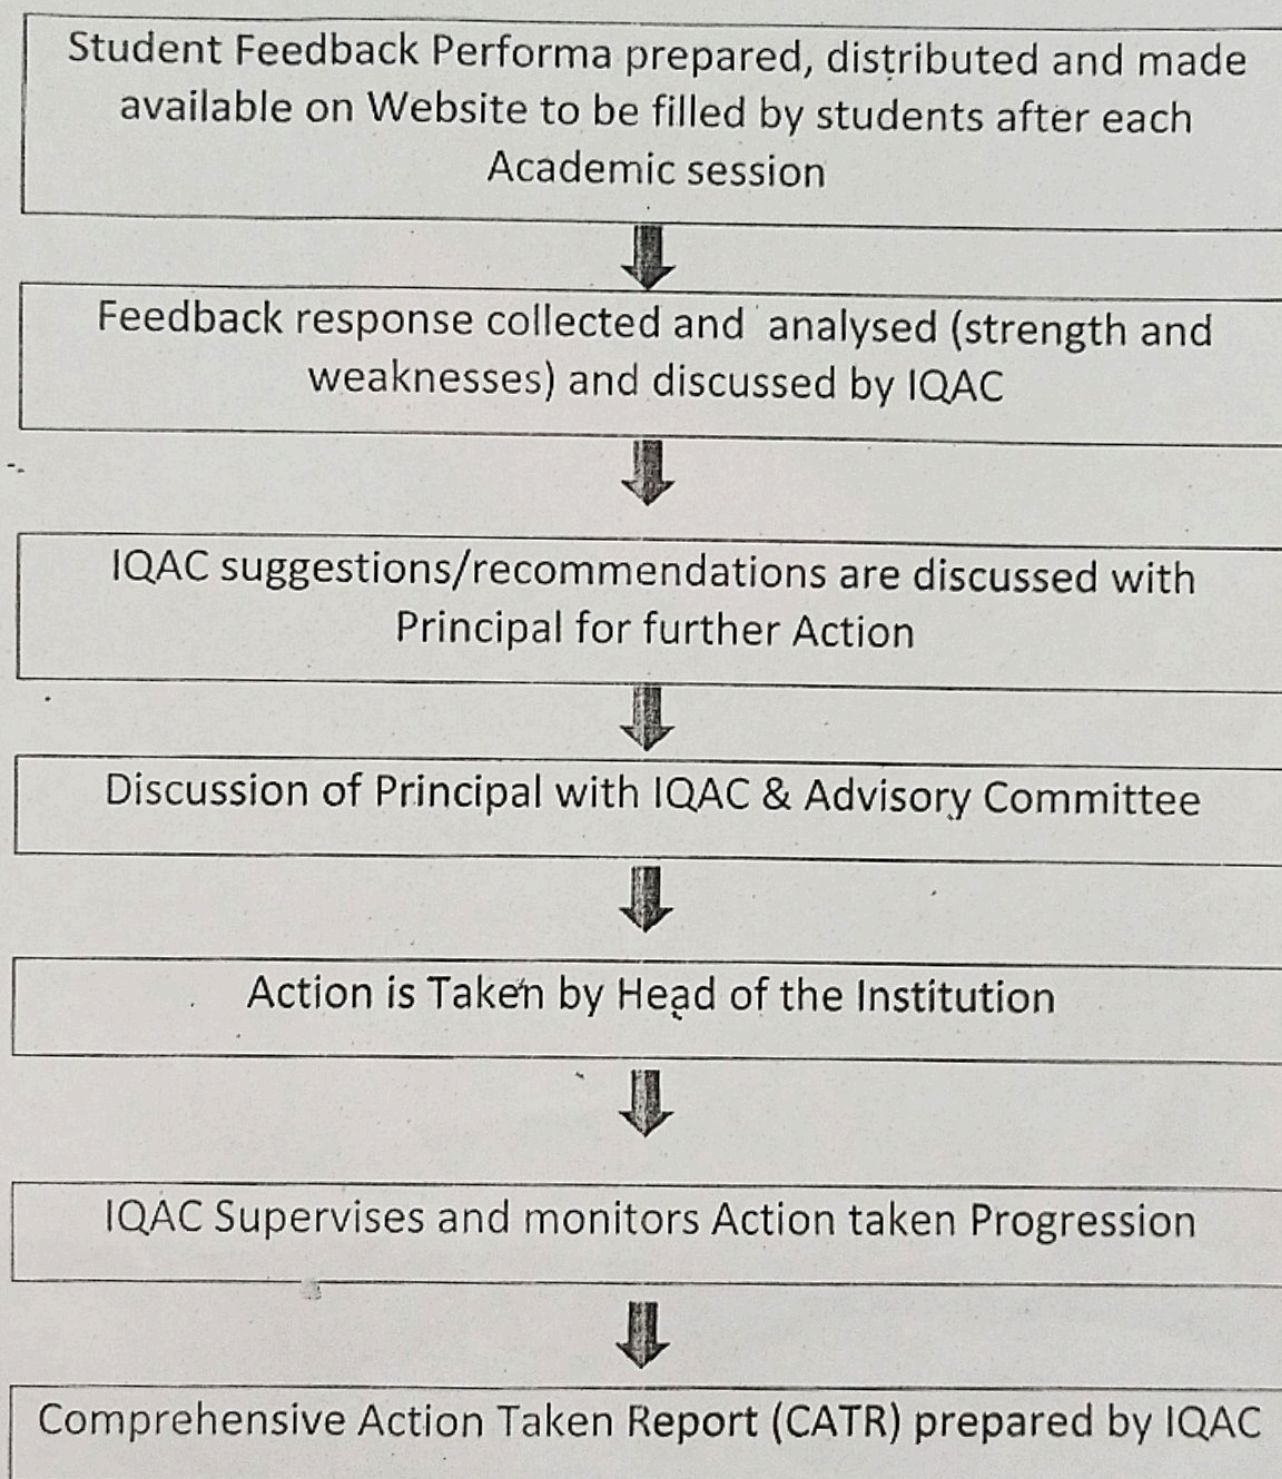

The IQAC developed a feedback mechanism and framework for its analysis. Feedback forms are circulated to all the stakeholders i.e. Students, Alumni and Faculty at the end of the academic session. Duly filled feedback forms are analysed (Converted to online mode from 2021-22). The Feedback analysis report is forwarded to the Principal for further process and action. Feedbacks are to be collected under the following broad heads:-

- 1. Feedback on Curriculum:** Feedback on curriculum is taken from all the stakeholders i.e. Students, Alumni and Faculty to analyse the effectiveness of existing curriculum and to suggest alteration or modifications required. Such suggestions are to be forwarded to the respective board of studies of the University for Consideration, as and when revision are undertaken.
- 2. Feedback on Curriculum delivery:** To maintain teaching quality feedback on teachers is to be taken from the students and forwarded to IQAC for analysis. On the basis of the analysis the Principal can take appropriate steps to improve the quality of teaching and learning process.
- 3. Feedback on infrastructure of the college:** Feedback on classrooms, washrooms, library, drinking water facility, laboratories and reading rooms etc. helps in maintaining and upgrading the basic requirements.
- 4. Feedback on support system of the college:** Feedbacks are also taken from all stakeholders to analyse several other aspects like Administrative staff, Admission procedure etc. to maintain a good support system.
